- (vi) if a member of the Board or the AC has an interest in the transaction, he/she will abstain from any decision making by the Board or the AC in respect of the transaction.

At least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. In the event that comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined in accordance with YXPM Group's usual business practice, and in the best interest of YXPM Group.

There are no specific thresholds for approval of RRPTs within our Group. All RRPTs are subject to the review and approval by the AC. All RRPTs contemplated under the Proposed Renewal of Shareholders' Mandate will be carried out at arm's length basis, on transaction prices and on terms not more favorable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

2.7 Disclosure in Annual Report

Disclosure will be made in the Annual Report of the Company in accordance with Paragraph 3.1.5 of Practice Note 12 of the Listing Requirements, which requires a breakdown of the aggregate value of the RRPTs entered into during the financial year based on the following information:

- (i) the type of the RRPTs made; and
- (ii) the names of the Related Parties involved in each type of the RRPTs made and their relationships with YXPM Group.

The above disclosure will be made in the Company's Annual Report for each subsequent financial year after the Proposed Renewal of Shareholders' Mandate had been obtained.

2.7 Statement by AC

The AC has reviewed the procedures mentioned in Section 2.6 of this Circular and is of the view that:

- (i) the procedures are sufficient to ensure that the RRPTs are on terms not more favorable to the Related Parties than those generally available to the public and are not to the detriment of the minority Shareholders; and
- (ii) that the Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner and to ensure that the RRPTs are carried out.

The AC shall review the RRPTs on a quarterly basis and also review the established guidelines and procedures to ascertain their compliance on an annual basis.

3. RATIONALE AND BENEFITS FOR THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The RRPTs entered and to be entered into by the Group with the Related Parties are in the ordinary course of business of the Group. They are recurring transactions of revenue or trading nature, which are likely to occur with some degree of frequency and arise at any time and from time to time. As these transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, it may be impractical to seek Shareholders' approval on a case-by-case basis before entering into such RRPTs. As such, the Company is seeking Shareholders' mandate pursuant to Paragraph 10.09(2) and Practice Note 12 of the Listing Requirements for the RRPTs described in Section 2.4 of this Circular to allow the Group to enter into such RRPTs which are made on an arm's length basis and on normal commercial terms and which are not to the detriment of the minority Shareholders.

The RRPTs are intended to meet the business needs of the Group on the best possible terms. By transacting with the Related Parties, the Group would have an advantage of familiarity with the background and management of the Related Parties, thus enabling more informed commercial decisions to be made. In most dealings with the Related Parties, the Group and the Related Parties have close co-operation and a good understanding of each other's business needs thus providing a platform where all parties can benefit from conducting the RRPTs.

The Proposed Renewal of Shareholders' Mandate, if approved by the Shareholders, will eliminate the need to make announcement to Bursa Securities or to convene separate general meetings from time to time to seek shareholder's approval as and when the RRPT(s) with specified classes of Related Parties arise. This will substantially reduce administrative time, inconvenience and avoid expenses associated with the convening of such general meetings on an ad hoc basis without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

4. EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholder' Mandate will not have any material effect on the share capital, consolidated NA, EPS, gearing and the shareholdings of Major Shareholders.

5. APPROVALS REQUIRED

The Proposed Renewal of Shareholders' Mandate is subject to the approval being obtained from the Shareholders at the forthcoming AGM to be convened.
